I'm a passionate Cybersecurity and Full-Stack Developer with experience in web & android app development, UI/UX design, and vulnerability assessment. I specialize in building secure, scalable systems using tools like Node.js, Next.js, React, MongoDB, and penetration testing tools such as Nmap, OWASP, and metasploitable2. I enjoy solving real-world problems through practical tech solutions and actively contribute to student startups and collaborative tech projects.

EDUCATION

GDRCST, Rungta Group of Institutions, Bhilai   **2024 – 2027**
*BCA - Computer Application - **CGPA** - 7.3/10*   *Bhilai, Chhattisgarh*

TECHNICAL SKILLS
